BASIS FOR OPINION

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. The key audit matters we identified are:

How our audit addressed the key audit matter

我們的審計如何處理關鍵審計事項 關鍵審計事項

程序包括:

Net realisable value of inventories

Refer to Note 22 to the consolidated financial statements.

The net realisable value of inventories is identified as a key audit matter because of the magnitude of the inventories combined with the judgements associated with determining the amount of allowance for inventories.

As at 31 March 2023, the Group recorded inventories (net of provision) of approximately HK\$222.127 million.

The write-down of inventories to net realisable value was estimated by management through the application of judgement and the use of assumptions.

During the year ended 31 March 2023, reversal • of provision for inventories of approximately HK\$8.174 million was recognised to the consolidated income statement based on management's assessment.

Our procedures in relation to management's estimation and judgement applied in determining the net realisable value of inventories include:

- Understanding and evaluating the inventories allowance/write down policy of the Group and the design and implementation of the key controls over the management's assessment process;
- Assessing the inherent risk of material misstatement by considering the degree of estimation uncertainty and level of other inherent risk factors:
- Evaluating the outcome of prior year period assessment of net realisable value of inventories to access the effectiveness of management's estimation process;
- Testing, on a sample basis, the accuracy of the inventory ageing reports; and
- Evaluating the key assumptions and estimates applied by management to determine the provisioning percentages applicable to individual ageing categories of inventory by comparing to current year and historical sales trends.

Impairment assessment on property, plant and equipment and right-of-use assets

Refer to Notes 17 and 19 to the consolidated financial statements.

The impairment of property, plant and equipment, and right-of-use assets is identified as a key audit matter because of the significant judgement involved in assessing the amount of impairment of property, plant and equipment, and right-of-use assets.

As at 31 March 2023, the Group had retail store assets recorded under property, plant and equipment and right-of-use assets of • approximately HK\$151.392 million and HK\$70.336 million, respectively.

The carrying amount of the retail stores assets is written down to their recoverable amount when the assets carrying amount exceeded their estimated recoverable amount.

Management determined that each retail stores is a cash-generating unit and monitors retail stores financial performance for the existence of • impairment indicators, such as stores making a loss and early closure of stores before the lease term.

The recoverable amount of retail stores assets is determined by value-in-use calculations using discounted cash flow projections based on the forecasts approved by management covering the remaining tenure of the lease.

Our procedures in relation to management's assessment process for identifying impairment indications include:

- Understanding and evaluating management's process for identifying impairment indicators and the design and implementation of key controls over the management's impairment assessment;
- Assessing the inherent risk of material misstatement by considering the degree of estimation uncertainty and level of other inherent risk factors;
- Evaluating the historical accuracy of forecast by, for example, comparing the forecast used in prior years model to the actual performance of the retail stores in the current year;
- Challenging the judgements made by management in identifying impairment indicators;
- Obtaining the cash flow forecasts prepared by management, understanding the major assumptions adopted in the cash flow forecasts for each cashgenerating unit and checking arithmetic accuracy of the forecast calculation;

物業、機器及設備及使用權 資產的減值評估

關鍵審計事項

17及19。

物業、機器及設備及使用 權資產減值識別為關鍵審 計事項,因為於評估物 業、機器及設備及使用權 資產的減值金額時涉及重 大判斷。

於2023年3月31日,記錄 於貴集團的物業、機器 及設備及使用權資產之下 的零售店舗資產分別為 約HK\$151.392佰萬元及 HK\$70.336佰萬元。

倘零售店舖資產的賬面值 大於其估計可收回金額, 則將其賬面值撇減至可收 回金額。

管理層釐定其個別零售店 舖為獨立可識別現金產生 單位,並監察零售店舗的 財務表現,檢視有否出現 減值指標,如店舖產生虧 損及於店舖租期完結前提 前關閉。

零售店舗資產的可收回金 額根據使用價值計算釐 定,根據經管理層批准涵 蓋租賃剩餘年期的預測使 用折現現金流量預測。

Impairment assessment on property, plant and equipment and right-of-use assets (Continued)

Management carried out an impairment • assessment for such assets which have an impairment indicator and as a result impairment loss of property, plant and equipment of approximately HK\$320,000 and impairment loss of right-of-use assets of approximately HK\$5.570 million have been recognised in the consolidated income statement for the year.

- Comparing the major assumptions such as growth rates, budgeted sales and gross margins to historical results and evaluating their reasonableness in light of current and expected future market conditions; and
- Evaluating the sufficiency of the disclosure of the impairment assessment by management in the consolidated financial statements.

- 評估管理層在綜合財務報表中 披露減值評估的充足性。

Impairment assessment on trademarks

Refer to Note 20 to the consolidated financial statements.

The impairment of trademarks is identified as a key audit matter because the assessment which is based on past performance and management's expectations for the future market development involved significant judgment and estimates.

As at 31 March 2023, trademarks of the Group amounted to approximately HK\$37.117 million.

Trademarks with an indefinite useful life are carried at costs and are not amortised.

Management tests annually whether the trademarks suffered any impairment by • considering the economic benefit to be generated from trademarks. The recoverable amount is determined based on a value-inuse calculation. This calculation used pretax cashflows projections based on financial budgets prepared by management.

Our procedures in relation to management's impairment assessment on trademarks include:

- Understanding and evaluating management's process for identifying impairment indicators and the design and implementation of key controls over the management's impairment assessment;
- Assessing the inherent risk of material misstatement by considering the degree of estimation uncertainty and level of other inherent risk factors;
- Evaluating the historical accuracy of forecast by, for example, comparing the forecast used in prior years model to the actual performance in the current year;

Going concern assessment

Refer to Note 2 to the consolidated financial statements.

The going concern assessment is identified as a key audit matter as significant management judgement is involved in determining whether a material uncertainty exists and in estimating the Group's future cash flows and funding requirements.

As at 31 March 2023, the Group had net • current liabilities of approximately HK\$145.716 million. The conditions may cast doubt about the Group's ability to continue as going concern.

Our procedures in relation to management's assessment of going concern included:

- Obtaining an understanding of the inputs and key assumptions of the cash flow projections prepared for the purpose of the going concern assessment;
- Challenging the inputs and assumptions used in the cash flow projections by benchmarking them against historical trends and data and observable external economic data;

持續經營評估

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF THE DIRECTORS AND AUDIT COMMITTEE FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The directors of the Company are responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the disclosure requirements of the Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the directors of the Company are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors of the Company either intend to liquidate the Group or to cease operations or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Our report is made solely to you, as a body, in accordance with Section 90 of the Companies Act 1981 of Bermuda and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

- 識別和評估由於欺詐或錯誤而導致綜合財務報表存在重大錯誤陳述的風險,設計及執行審計程序以應對這些風險,以及獲取充足和適當的審計憑證,作為我們意見的基礎。由於欺詐可能涉及串謀、偽造、蓄意遺漏、虛假陳述,或凌駕於內部控制之上,因此未能發現因欺詐而導致的重大錯誤陳述的風險高於未能發現因錯誤而導致的重大錯誤陳述的風險。
